Automation Products

Alpha Fittings	Pneumatic Fittings with unique Universal Thread / Ball & Check Valves / Flow Control / Tubing
Azbil (Yamatake)	Liquid Leak and Level Sensors / Mass Flow controllers / Fiber Optic and Laser Sensors
Banner Engineering	Photoelectric / Fiber optic and Laser Sensors / Safety Light Curtains / Vision Systems / LED Lights & Signaling / Wireless Monitoring & Control Systems (900 MHz, cellular)
CKD Pneumatics	Pneumatic & Chemical Valves / Actuators / Fittings / FRL's / Vacuum
ERICO	Flexible Bus Bar / Power Distribution Blocks / Grounding Braids / Cable Sleeves / Insulators
ERICO/ Critec	Surge Diverters: Protection from Surges and Voltage Transients / CE, UL 1449 Edition 3 Listed
Hyde Park / Schneider Electric	Sensors : Ultrasonic / Photoelectric / Proximity / Pressure / Proximity / RFID / Limit
Iboco	Rigid and Flexible Wire Duct / Din Rail / Cable Sleeves / Spiral Wraps / Cable Ties
Icotek	Cable Gland Entry Systems / Multi-Entry Watertight Ports
ILME	Multi-pole Rectangular Connectors for Power Connections and Industrial Applications
Integra Enclosures	Polycarbonate / Lexan / Norel Enclosures
Lambda	Power Supplies / DC-DC Converters / EMI Filters
LAPP	Rectangular and Circular Connectors
NK Technologies	Power Transducers / CT's & PT's / Current Switches / Ground Fault Sensors
Panasonic / SunX	Photoelectric Sensors / Leak Detectors / Counters / Timers / Automation
Panasonic	HMI's / PLC's / Servo Drives / Servo Motors
PULS	High Efficiency Power Supplies / Din Rail Mounted Switch-Mode
Red Lion Controls	Counters / Timers / Tachometers / Signal Conditioners / HMI's
Roxtec	Multi-diameter Cable & Pipe Seals / Fire Safe / Watertight / Multi-Size Feed-through Housings
SAB Wire Products	Continuous Flex /Data /Torsion Flex /Halogen Free /Clean Room Cables
Sealcon	Liquid Tight Strain Relief Fittings and Flexible Conduit System for Cable and Wire
Sentrol / GE Industrial Security	Non-Contact and Safety Interlock Systems / Mechanical Switches / Monitor Relays
Schneider Electric	NEMA Enclosures / Junction Boxes / Wire Troughs / Modular Metric Enclosures / Racks
Square D / Schneider Electric	Circuit Protection / Push Buttons / Motor Control / PLC's / HMI's / Distributed I/O
STM Sensors	High Performance Opto Sensors
Turck	Over-molded Connector Cables / Bus Networks / Connectivity / Distributed I/O Blocks Proximity Sensors / Flow Control / Encoders / Tilt Sensors
Wieland Electric	IEC Din Rail Terminal Blocks—Screw, Spring and IDC Style Wire Management Products
Wireless Control & Monitoring	900 HMz Radio / Cellular Systems with Web Enabled Control and Monitoring
Zelio (Schneider Electric)	DIN Rail and Socket Relays / Smart Relays / Timers / Counters

See Reverse Side for Motion Products

We can assist you with product selection for your engineering applications.

Motion Products

AC Tech / Lenze	Digital Servo Amplifiers / Servo Motors / Single Axis Controllers / VFD's
Berger Lahr / Schneider Automation	Integrated Servo Motors / Servo Drives / Multi-Axis Controllers
Bishop Wisecarver	Linear Bearings / Actuators / Gantry Systems / Positioning Stages
CGI	Inline / Right Angle / Offset and Custom Gearheads
CKD Pneumatics	Pneumatic and Chemical Valves / Actuators / Fittings / FRL's / Vacuum
Dart Controls	DC Motor Speed Controls / SCR / Digital Drives / AC Inverter Drives / DC Motors
Douloi Automation	Multi-Axis Motion Controllers / Stand Alone and PC Based Controllers (2-16 Axis Coordinated)
Emerson / Control Techniques	Servo Drives and Motors / AC Drives / DC Drives / Soft Starters / VFD's
Gortrac / Gortite	Cable and Hose Carriers / Custom Engineered Protective Covers
Hurst / Emerson Motor Technologies	Sub-fractional HP Instrument Motors: DC Brushless, DC Stepper, AC Synchronous, Motor Frames 14 thru 23
IMS / Intelligent Motion Systems	Integrated Stepper Motors / Stepper Drives / Stepper Motors / Controls
Lin Engineering	1.8, 0.9 and 0.45 Degree Stepper Motors / Custom Stepper Motor Assemblies
Macron	Linear Actuators, / Gantry Systems / Lifetime Warranty
Mayr	Shaft Couplings / Torque Limiting Clutches / Safety Brakes and Electromagnetic Clutches
NB Corporation	Linear Bearings / Actuators - Round & Square Rails / Cross Rollers / Ball Splines / Bushings
NSK Precision	Square Rail Linear Bearings / Linear Actuators / Ball Screws / Direct Drive Motors
Panasonic Electric Works	PLC's / Servo Drives / Servo Motors / HMI's
PBC Linear (Pacific Bearing)	Screw and Belt Drive Linear Actuators / Multi-Axes Systems
R + W Couplings	Flexible Shaft / Bellows / Jaw Style / Torque Limiters / Line Shafts
Red Lion Controls	HMI's / Signal Conditioners / Rate Meters / Sensors / Counters / Timers / Process Controllers
Stober	Gearheads—Low Backlash / Low Noise / High Efficiency / Planetary / Helical / Offset / Hollow
Tecnotion	Iron Core and Ironless Linear Motors
Turck / Kubler	Linear and Rotary Encoders / Linear Displacement Transducers
