ABB Industrial Controls	Contactors, Starters, Softstarters, Relays, Pilot Devices, Limit Switches, Terminal blocks, Circuit Breakers
Banner Engineering	Photoelectric, Fiberoptic and Laser Sensors, Safety/Profiling Light Curtains, Vision Systems and Wireless solutions
CKD	Pneumatic control components, actuators, & auxiliary components, Fluid control products, & Chemical Valves
Erico	Flexible Insulated Busbar, Power Distribution Blocks, Grounding Braids, Insulators and Din Rail.
Critec	ERICO's surge protection devices protect against damaging electrical surges on power and communications lines.
Edwards Signaling	Automation signaling, Visual, Audible Signaling devices, Video Products, Outdoor Warning Systems, Public Address Intercom Systems
Finder Relays	DIN Rail and Socket Relays, Modules, Timers, Sockets and Accessories.
Gefran Drives	High performance Variable Frequency Drives, from 1 to 1500 hp, with the most advanced features available in drive technology
Hyde Park	Ultrasonic Sensors.
Iboco	IBOCO delivers an integrated system of specific solutions for panel builder's needs, including wire duct, din rail, cable ties and more
Integra Enclosures	Polycarbonate/Lexan/Norel Enclosures with a patented Back Panel Suspension System.
Intelligent Motion Systems	Integrated Stepper Motors / Stepper Drives / Stepper Motors / Controls
Lenze/AC Tech	Ultra-efficient, economical general-purpose VFD's, an innovative amplifier servo line and sophisticated servo automation systems
Magnecraft Relays	A broad line of electro-mechanical, hybrid, solid state relays and sockets used in general purpose and industrial applications.
Panasonic Electric Works	PLCs, HMIs and Servo Drives. (Formally AROMAT)
PULS	The most technologically advanced DIN-rail power supplies on the market today
Red Lion Controls	HMI Products, Process Controls (temp./pid controllers), Panel Meters, Sensors, and Software
Rittal Enclosures	Manufacturer of enclosure systems and control cabinet, server and electrical cabinet systems
S A B Cable	Provides the automation and robotics industry with the finest in flexible specialty cables and cabling solutions.
Sola HD	Power supplies, Din-rail mount UPS's, Line Reactors, Surge Protection, Active Tracking filters & Transformers
STM Sensors	High Performance Optical Sensors that offer greater precision in a smaller installation space
SUNX Sensors	Safety, Measurement, Photoelectric, Proximity, Fiberoptic and Laser Sensors
Turck	An enormously versatile range of more than 13,000 sensor, fieldbus, interface and connectivity products
Unitronics	PLC + HMI in one unit, advanced communication options, datalogging and recipes, plus free programming software
Wieland Electric	IEC Din Rail Terminal Blocks-Screw, Spring and IDC Style Wire Management Products.
