

Powermatic

An Employee Owned Company
Providing Effective Automation Solutions

Associates

WWW.POWERMATIC.NET • 800-966-8513 • 1264 STEALTH STREET • LIVERMORE, CA 94551

AUTOMATION | MOTION CONTROL | PNEUMATICS

APC / Schneider Electric

Uninterruptible Power Supplies

Apex Dynamics

Gearboxes: Planetary, Helical, & Micro Planetary for Servo and Stepper Applications

ATP

Pneumatic & Fluid Hoses, Tubing, Fittings, and Accessories

Banner Engineering

Photoelectric, Fiber-Optic, and Laser Sensors; Safety/Profiling Light Curtains, and Vision Systems

CGI

Inline, Right Angle, Offset, and Custom Gearheads

CKD

Pneumatic Valves, Cylinders, and Actuators

CONTA-CLIP

Liquid-Tight Strain Relief for Cable & Wire, DIN Rail Terminal Blocks

Dart Controls

Speed Control and Motor Systems: SCR, Digital, Analog, Battery-Operated, plus AC Inverters

Datalogic

Laser Marking Systems, Barcode Readers, and Safety Laser Scanners

DINGS' Motion USA / Koco Motion

Stepper Motors, Linear Actuators, and ServoTrack Motion Systems

Douloi Automation

Motion Controller (2 - 16 Axes), Servo and Stepper; Stand-alone and PC-based

Edwards Signaling

Safety Interlock Systems, Mechanical Switches, Non-Contact Interlock Switches, and Monitoring Relays

Festo

Stepper Motors, Control Valves, Tubing, Hose Fittings, and Pneumatics

Finder Relays

DIN Rail and Socket Relays, Modules, Timers, Sockets, and Accessories

Gefran

Process Controllers, Panel Meters, Solid-State Relays, and Sensors

HIWIN

Motion Control: Linear Guideways, Actuators, Motors, Roller Bearings, and Position Monitoring

HMS Industrial / eWON / Anybus

Wired & Wireless Industrial Networking Solutions

IBOCO

Wire Duct and Retainers, DIN Rails, Cable Sleeving, Spiral Wraps, and Cable Ties

Icotek

Innovative Cable Gland Entry System that allows prefabricated cables to be installed in panels

ILME

Modular Multi-Pole Connectors and Accessories

Integra Enclosures

Polycarbonate Enclosures with patented Panel Suspension System and UV-Protected Clear Covers

Lapp Group Connectors

EPIC Connectors; Rectangular and Circular Connectors

Lenze / AC Tech

Digital Servo Amplifiers featuring the Simple Servo line of Brushless Digital Servo Amps

Lin Engineering

1.8, 0.9, and 0.45 Degree Stepper Motors; Custom Stepper Motor Assemblies

Macron Dynamics

Linear Actuators and Gantry Systems

Mayr

Torque-Limiting Clutches, Electromagnetic Clutches, Shaft Couplings, and Safety Brakes

NBK

Specialty and Miniature Couplings & Fasteners

Nidec / Control Techniques

Servo Drives and Motors: AC Drives, DC Drives, Soft-Starters, and VFDs

NK Technology

Power Transducers, CTs & PTs, Current Switches, and Ground Fault Sensors

Novanta IMS

Stepping Motors and Drives; Mdrives: Microstepping Drive and Indexer Integrated with Motor

NSK

Ball & Roller Bearings, Linear Motion Technology

nVent / ERICO

Flexible Insulated Bus Bar, Power Distribution Blocks, Grounding Braids, Insulators, and DIN Rails

Panasonic Industrial Automation / SunX

PLCs, HMIs, UV Curing Systems, Compact Sensors, and Motor Systems

Pizzato

Safety & Interlock Switches, Safety Modules, Non-Contact Switches, and Control & Signaling Devices

Pneumatic Cylinders & Couplers

Stainless Steel, Aluminum, and Composite Cylinders; NFPA Cylinders

PULS

The broadest range of DIN Rail mounted Primary Switch-Mode Power Supplies

Red Lion

Communication, Monitoring, and Control Systems for Industrial Automation

R+W America

Flexible-Shaft Couplings, Bellows, Jaw Style, Torque-Limiters, and Line Shafts

SAB North America

Flexible Control and Automation Cables, Continuous Flex Cables, Data Cables, Servo Motor Cables, and European Standardized Cables

Saginaw Control & Engineering

Electrical Enclosures: Free Standing, Wall Mounted, and Floor Mounted

Schmalz

Vacuum Technology: Automation, Handling, and Clamping

Sealcon

Liquid-Tight Strain Relief Fittings and Flexible Conduit System for Cable and Wire

Square D / Schneider Electric

Power Distribution Equipment, including Circuit Breakers, Transformers, Relays, and Surge Protectors

Telemecanique Sensors / Hyde Park

Ultrasonic Sensors

Turck

Inductive, Capacitive, and Flow Sensors; Quick Disconnect Cables and Connectors; Encoders; Bus Network Products for DeviceNet, Profibus-DP, Seriplex, SDS, SS-I, and more

Unitronics

PLC + HMI All-in-One, Advanced Communications, Data Logging, and Programming Software

Wieland Electric

IEC DIN Rail Terminal Blocks; Screw, Spring, and IDC-Style Wire Management Products

Zelio / Schneider Electric

DIN Rail & Socket Relays, Smart Relays, Timers, and Counters
