AUTOMATION | MOTION CONTROL | PNEUMATICS

- ABB Group**
Low Voltage Control Products: Breakers, Contactors, Switches, Pilot Devices, and Home Automation
- Apex Dynamics**
Gearboxes: Planetary, Helical, Micro Planetary for Servo and Stepper Applications
- Aromat / Panasonic**
PLCs, HMIs, Servo Motors, and Drives
- ATP**
Pneumatic & Fluid Hoses, Tubing, Fittings, and Accessories
- Azbil North America**
Liquid Leak & Level Sensors, Fiber-Optic & Laser Sensors, Mass Flow Controllers
- Banner Engineering**
Photoelectric, Fiber-Optic, and Laser Sensors; Safety/Profiling Light Curtains, and Vision Systems
- CGI**
Inline, Right Angle, Offset, and Custom Gearheads
- CKD**
Pneumatic Valves, Cylinders, and Actuators
- CONTA-CLIP**
Liquid-Tight Strain Relief for Cable & Wire, DIN Rail Terminal Blocks
- Coval**
Automated Vacuum Solutions: Suction Pads, Vacuum Pumps, and Mini-Pumps
- Crydom**
Solid-State Relays: DIN and Panel Mount, PCB, and Solid-State Contactors
- Dart Controls**
Speed Control and Motor Systems: SCR, Digital, Analog, Battery-Operated, plus AC Inverters
- Douloi Automation**
Motion Controller (2 - 16 Axes), Servo and Stepper; Stand-alone and PC-based
- Edwards Signaling**
Safety Interlock Systems, Mechanical Switches, Non-Contact Interlock Switches, and Monitoring Relays
- ERICO / Pentair**
Flexible Insulated Bus Bar, Power Distribution Blocks, Grounding Braids, Insulators, and DIN Rails
- Festo**
Stepper Motors, Control Valves, Tubing, Hose Fittings, and Pneumatics
- Finder Relays**
DIN Rail and Socket Relays, Modules, Timers, Sockets, and Accessories
- HIWIN**
Motion Control: Linear Guideways, Actuators, Motors, Roller Bearings, and Position Monitoring
- HMS Industrial / eWON / Anybus**
Wired & Wireless Industrial Networking Solutions
- IBOCO**
Wire Duct and Retainers, DIN Rails, Cable Sleaving, Spiral Wraps, and Cable Ties
- Icotek**
Innovative Cable Gland Entry System that allows prefabricated cables to be installed in panels
- ILME**
Modular Multi-Pole Connectors and Accessories
- Integra Enclosures**
Polycarbonate Enclosures with patented Panel Suspension System and UV-Protected Clear Covers
- Lapp Group**
Rectangular and Circular Connectors
- Lenze / AC Tech**
Digital Servo Amplifiers featuring the Simple Servo line of Brushless Digital Servo Amps
- Lin Engineering**
1.8, 0.9, and 0.45 Degree Stepper Motors; Custom Stepper Motor Assemblies
- Littelfuse / SymCom**
Fuses, Protection Relays, Switches, and Controls
- Macron Dynamics**
Linear Actuators and Gantry Systems
- Mayr**
Torque-Limiting Clutches, Electromagnetic Clutches, Shaft Couplings, and Safety Brakes
- NBK**
Specialty and Miniature Couplings & Fasteners
- Nidec**
Servo Drives and Motors: AC Drives, DC Drives, Soft-Starters, and VFDs
- NK Technology**
Power Transducers, CTs & PTs, Current Switches, and Ground Fault Sensors
- Pneumatic Cylinders & Couplers**
Stainless Steel, Aluminum, and Composite Cylinders; NFPA Cylinders
- PULS**
The broadest range of DIN Rail mounted Primary Switch-Mode Power Supplies
- Red Lion**
Communication, Monitoring, and Control Systems for Industrial Automation
- Rittal North America**
Electrical Enclosures and Mounting Equipment
- R+W America**
Flexible-Shaft Couplings, Bellows, Jaw Style, Torque-Limiters, and Line Shafts
- SAB North America**
Flexible Control and Automation Cables, Continuous Flex Cables, Data Cables, Servo Motor Cables, and European Standardized Cables
- Saginaw Control & Engineering**
Electrical Enclosures: Free Standing, Wall Mount, and Floor Mount
- Sealcon**
Liquid-Tight Strain Relief Fittings and Flexible Conduit System for Cable and Wire
- SOLA HD / Emerson Industrial**
Power Supplies, DIN Rail Power Supplies, Line Conditioning, Surge Protectors, and Transformers
- SunX / Panasonic**
Compact Photoelectric, Fiber-Optic, and Laser Sensors
- TDK-Lambda**
Total Power Solutions: Switching Power Supplies in standard and open configuration, Noise Filters, Programmable Constant Current and Voltage
- Thomas & Betts**
Sta-Kon Wire Terminals, Wire & Cable Management, Blackburn Connectors, and Terminations
- Turck**
Inductive, Capacitive, and Flow Sensors; Quick Disconnect Cables and Connectors; Encoders; Bus Network Products for DeviceNet, Profibus-DP, Seriplex, SDS, SS-I, and more
- Unitronics**
PLC+HMI All-in-One, Advanced Communications, Data Logging, and Programming Software
- Vynckier Enclosure Systems**
Non-Metallic Electrical Enclosures
- Wieland Electric**
IEC DIN Rail Terminal Blocks; Screw, Spring, and IDC-Style Wire Management Products
