## AUTOMATION | MOTION CONTROL | PNEUMATICS

- ABB Group**  
*Low Voltage Control Products: Breakers, Contactors, Switches, Pilot Devices, and Home Automation*
- Apex Dynamics**  
*Gearboxes: Planetary, Helical, & Micro Planetary for Servo and Stepper Applications*
- ATP**  
*Pneumatic & Fluid Hoses, Tubing, Fittings, and Accessories*
- Banner Engineering**  
*Photoelectric, Fiber-Optic, and Laser Sensors; Safety/Profiling Light Curtains, and Vision Systems*
- CGI**  
*Inline, Right Angle, Offset, and Custom Gearheads*
- CKD**  
*Pneumatic Valves, Cylinders, and Actuators*
- CONTA-CLIP**  
*Liquid-Tight Strain Relief for Cable & Wire, DIN Rail Terminal Blocks*
- Dart Controls**  
*Speed Control and Motor Systems: SCR, Digital, Analog, Battery-Operated, plus AC Inverters*
- DINGS' Motion USA / Koco Motion**  
*Stepper Motors, Linear Actuators, and ServoTrack Motion Systems*
- Douloi Automation**  
*Motion Controller (2 - 16 Axes), Servo and Stepper; Stand-alone and PC-based*
- Festo**  
*Stepper Motors, Control Valves, Tubing, Hose Fittings, and Pneumatics*
- Gefran**  
*Process Controllers, Panel Meters, Solid-State Relays, and Sensors*
- Hammond Power Solutions**  
*Low & Medium Voltage Power Distribution and Transformers*
- HIWIN**  
*Motion Control: Linear Guideways, Actuators, Motors, Roller Bearings, and Position Monitoring*
- HMS Industrial / eWON / Anybus**  
*Wired & Wireless Industrial Networking Solutions*
- IBOCO**  
*Wire Duct and Retainers, DIN Rails, Cable Sleeveing, Spiral Wraps, and Cable Ties*
- Icotek**  
*Innovative Cable Gland Entry System that allows prefabricated cables to be installed in panels*
- ILME**  
*Modular Multi-Pole Connectors and Accessories*
- Integra Enclosures**  
*Polycarbonate Enclosures with patented Panel Suspension System and UV-Protected Clear Covers*
- Kooltronic**  
*Enclosure Cooling Systems, including Air Conditioners, Heat Exchangers, and Blowers*
- Lapp Group Connectors**  
*EPIC Connectors; Rectangular and Circular Connectors*
- Lenze / AC Tech**  
*Digital Servo Amplifiers featuring the Simple Servo line of Brushless Digital Servo Amps*
- Lin Engineering**  
*1.8, 0.9, and 0.45 Degree Stepper Motors; Custom Stepper Motor Assemblies*
- Littelfuse / SymCom**  
*Fuses, Protection Relays, Switches, and Controls*
- Macron Dynamics**  
*Linear Actuators and Gantry Systems*
- Mayr**  
*Torque-Limiting Clutches, Electromagnetic Clutches, Shaft Couplings, and Safety Brakes*
- NBK**  
*Specialty and Miniature Couplings & Fasteners*
- Nidec / Control Techniques**  
*Servo Drives and Motors: AC Drives, DC Drives, Soft-Starters, and VFDs*
- NK Technology**  
*Power Transducers, CTs & PTs, Current Switches, and Ground Fault Sensors*
- NSK**  
*Ball & Roller Bearings, Linear Motion Technology*
- nVent**  
*Flexible Insulated Bus Bar, Power Distribution Blocks, Grounding Braids, Insulators, and DIN Rails*
- Panasonic Industrial Automation / SunX**  
*PLCs, HMIs, UV Curing Systems, Compact Sensors, and Motor Systems*
- Pizzato**  
*Safety & Interlock Switches, Safety Modules, Non-Contact Switches, and Control & Signaling Devices*
- Pneumatic Cylinders & Couplers**  
*Stainless Steel, Aluminum, and Composite Cylinders; NFPA Cylinders*
- PULS**  
*The broadest range of DIN Rail mounted Primary Switch-Mode Power Supplies*
- Red Lion**  
*Communication, Monitoring, and Control Systems for Industrial Automation*
- R+W America**  
*Flexible-Shaft Couplings, Bellows, Jaw Style, Torque-Limiters, and Line Shafts*
- SAB North America**  
*Flexible Control and Automation Cables, Continuous Flex Cables, Data Cables, Servo Motor Cables, and European Standardized Cables*
- Saginaw Control & Engineering**  
*Electrical Enclosures: Free Standing, Wall Mounted, and Floor Mounted*
- Schmalz**  
*Vacuum Technology: Automation, Handling, and Clamping*
- Sealcon**  
*Liquid-Tight Strain Relief Fittings and Flexible Conduit System for Cable and Wire*
- SOLA HD / Emerson Industrial**  
*Power Supplies, DIN Rail Power Supplies, Line Conditioning, Surge Protectors, and Transformers*
- Thomas & Betts**  
*Sta-Kon Wire Terminals, Wire & Cable Management, Blackburn Connectors, and Terminations*
- Turck**  
*Inductive, Capacitive, and Flow Sensors; Quick Disconnect Cables and Connectors; Encoders; Bus Network Products for DeviceNet, Profibus-DP, Seriplex, SDS, SS-I, and more*
- Unitronics**  
*PLC + HMI All-in-One, Advanced Communications, Data Logging, and Programming Software*
- Vynckier Enclosure Systems**  
*Non-Metallic Electrical Enclosures*
- WAGO**  
*Electrical Interconnections, Terminal blocks, Relays & Optocouplers, Controllers, and I/O*
- WEG**  
*Variable Speed Drives, A/C & Induction Motors, and Controls*
