

MOTION CONTROL

Apex Dynamics

Gearboxes: Planetary, Helical, & Micro Planetary for Servo and Stepper Applications

CGI

Inline, Right Angle, Offset, and Custom Gearheads

Dart Controls

Speed Control and Motor Systems: SCR, Digital, Analog, Battery-Operated, plus AC Inverters

DINGS' Motion USA / Koco Motion

Stepper Motors, Linear Actuators, and ServoTrack Motion Systems

Douloi Automation

Motion Controller (2 - 16 Axes), Servo and Stepper; Stand-alone and PC-based

Festo

Stepper Motors, Control Valves, Tubing, Hose Fittings, and Pneumatics

HIWIN

Motion Control: Linear Guideways, Actuators, Motors, Roller Bearings, and Position Monitoring

Lenze / AC Tech

Digital Servo Amplifiers featuring the Simple Servo line of Brushless Digital Servo Amps

Lin Engineering

1.8, 0.9, and 0.45 Degree Stepper Motors; Custom Stepper Motor Assemblies

Macron Dynamics

Linear Actuators and Gantry Systems

Mayr

Torque-Limiting Clutches, Electromagnetic Clutches, Shaft Couplings, and Safety Brakes

NBK

Specialty and Miniature Couplings & Fasteners

Nidec / Control Techniques

Servo Drives and Motors: AC Drives, DC Drives, Soft-Starters, and VFDs

Panasonic Industrial Automation

PLCs; HMIs; Static and Servo Motor Systems

Red Lion

Communication, Monitoring, and Control Systems for Industrial Automation

R+W America

Flexible-Shaft Couplings, Bellows, Jaw Style, Torque-Limiters, and Line Shafts

Turck

Inductive, Capacitive, and Flow Sensors; Quick Disconnect Cables and Connectors; Encoders; Bus Network Products for DeviceNet, Profibus-DP, Seriplex, SDS, SS-I, and more

PNEUMATICS

ATP

Pneumatic & Fluid Hoses, Tubing, Fittings, and Accessories

CKD

Pneumatic Valves, Cylinders, and Actuators

Coval

Automated Vacuum Solutions: Suction Pads, Vacuum Pumps, and Mini-Pumps

Festo

Pneumatic Solenoid Valves, Servo-Pneumatics, and Vacuum Products

Pneumatic Cylinders & Couplers

Stainless Steel, Aluminum, and Composite Cylinders; NFPA Cylinders

AUTOMATION

ABB Group

Low Voltage Control Products: Breakers, Contactors, Switches, Pilot Devices, and Home Automation

Azbil North America

Liquid Leak & Level Sensors, Fiber-Optic & Laser Sensors, Mass Flow Controllers

Banner Engineering

Photoelectric, Fiber-Optic, and Laser Sensors; Safety/Profiling Light Curtains, and Vision Systems

CONTA-CLIP

Liquid-Tight Strain Relief for Cable & Wire, DIN Rail Terminal Blocks

Edwards Signaling

Safety Interlock Systems, Mechanical Switches, Non-Contact Interlock Switches, and Monitoring Relays

ERICO / nVent

Flexible Insulated Bus Bar, Power Distribution Blocks, Grounding Braids, Insulators, and DIN Rails

Finder Relays

DIN Rail and Socket Relays, Modules, Timers, Sockets, and Accessories

HMS Industrial / eWON / Anybus

Wired & Wireless Industrial Networking Solutions

IBOCO

Wire Duct and Retainers, DIN Rails, Cable Sleeving, Spiral Wraps, and Cable Ties

Icotek

Innovative Cable Gland Entry System that allows prefabricated cables to be installed in panels

ILME

Modular Multi-Pole Connectors and Accessories

Integra Enclosures

Polycarbonate Enclosures with patented Panel Suspension System and UV-Protected Clear Covers

Lapp Group Connectors

EPIC Connectors; Rectangular and Circular Connectors

Littelfuse / SymCom

Fuses, Protection Relays, Switches, and Controls

NK Technology

Power Transducers, CTs & PTs, Current Switches, and Ground Fault Sensors

Panasonic Industrial Automation / SunX

PLCs; HMIs; UV Curing Systems; Compact Photoelectric, Fiber-Optic, & Laser Sensors

PULS

The broadest range of DIN Rail mounted Primary Switch-Mode Power Supplies

SAB North America

Flexible Control and Automation Cables, Continuous Flex Cables, Data Cables, Servo Motor Cables, and European Standardized Cables

Saginaw Control & Engineering

Electrical Enclosures: Free Standing, Wall Mounted, and Floor Mounted

Sealcon

Liquid-Tight Strain Relief Fittings and Flexible Conduit System for Cable and Wire

SOLA HD / Emerson Industrial

Power Supplies, DIN Rail Power Supplies, Line Conditioning, Surge Protectors, and Transformers

Thomas & Betts

Sta-Kon Wire Terminals, Wire & Cable Management, Blackburn Connectors, and Terminations

Unitronics

PLC + HMI All-in-One, Advanced Communications, Data Logging, and Programming Software

Vynckier Enclosure Systems

Non-Metallic Electrical Enclosures

Wieland Electric

IEC DIN Rail Terminal Blocks; Screw, Spring, and IDC-Style Wire Management Products
